**NOTE:** The 'Werribee Wagger' is published monthly for our members to be kept up to the minute with any important announcements raised by our committee and or Instructors. Articles appearing in this Newsletter are considered to be of interest to our readers, but do not necessarily express the opinions of the Committee or of our Editor. The Committee and Editor accept no responsibility for any claims made by the advertisers.

Hi All

Welcome to the new members who have started training at the club this month.

Over the past few weeks, you would have noticed our grounds have patches of sand over it. The council has resolved the issue with our irrigation system having a lack of pressure. Having said that, the additional pressure the irrigation system has, has caused some leaking of water in various parts of the system. The leaks have now been repaired. They have also replaced several sprinkler heads and corrected the alignment of others. We will need to monitor the system over the next few weeks to ensure that it is operating correctly.

The club's financial year finished on the 30th of June. If you still have a PURPLE membership name tag, you are currently an unfinancial member. Please see a committee member in the club rooms to renew your membership ASAP. If you have not renewed by the end of the month and have a TURQUOISE name tag, you will not be permitted to continue to train and will be required to pay a new membership fee.

The club has a fund day scheduled for the 20th of July. More details can be found later in the newsletter.

Wednesday night training is in a winter recess and will start up again on the 11th of September.

The club annual AGM is scheduled for September. Please give some consideration of standing for committee. Without the club's executive and committee members the club will not be able to operate. The more hands we have the lighter the workload is on each committee member. The notice of the AGM can be found later in the newsletter.

If you are not sure about being on the committee, or you would like to help for 30 minutes from time to time to help the club, or would like more information, please come and see either Jo Taylor, Sue Hounslow or myself. Do not forget that the club rooms are there for your use. Please come inside and have a look at what we have on offer to sell. Tea and coffee available for free each week. Also available is chocolate bars (\$1.50), bottles of water (\$1), Soft drinks, hot food - pies, pasties sausage rolls and dim sims (best to order hot food) as well as dog equipment such as different types of leads, bait bags etc. These sales assist the club to keep our fees as low as possible so why not come and see what we have and support the club

Remember that 5 minutes training each day will progress you're training in leaps and bounds.

Ray Ashman

President

## SAFETY AROUND THE CLUB

There have been a number of safety issues at our club. How you can help is listed below:

- 🐕 **If you see a dog with a yellow 'Give Me Space' jacket, please keep your dog far away from it.**

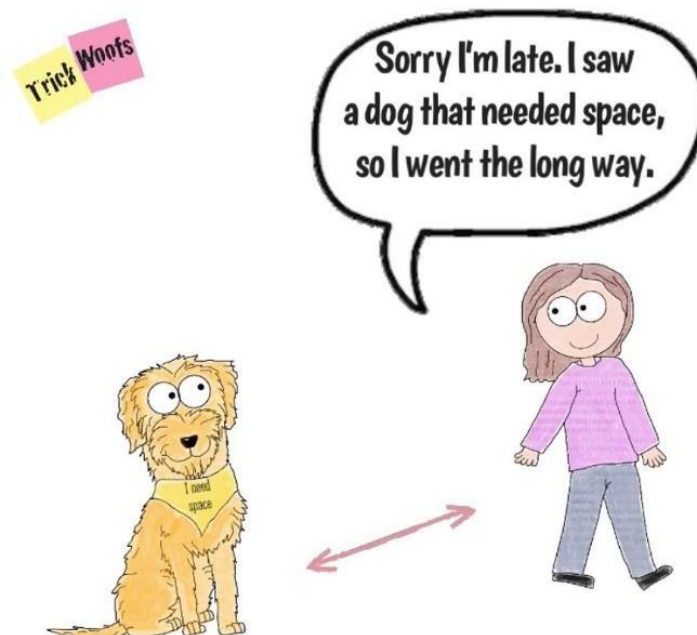

The owner of a dog wearing a 'Give Me Space' coat is doing the right thing by letting other members know that their dog needs its space. You can help the owner by going wide around the dog and not letting your dog interact with their dog.

- 🐕 When you are amongst a group of dogs, such as under the veranda of the Clubrooms, **please make sure your dog is on a short lead.** This will prevent your dog from approaching another dog that you don't know. Always ask the owner of another dog if it's OK to approach their dog.

- 🐕 Please **do not tie your dog up on the poles on the veranda or any star posts.** For your dog's safety tie your dog up on the bollards located in front of the car park. Do not approach a tied up dog with your dog., they may feel trapped.

- 🐕 **Don't allow male dogs to lift their leg on any poles** around the Club Grounds. There are plenty of trees for them to use. If your dog does urinate against a pole in front of the Clubrooms, please clean it up by throwing some water over it.

- 🐕 **Please make sure that your car is locked and no valuables are left in sight.** From time to time we have had had valuables taken from cars.

Several members have inquired recently regarding the various signs on the ground and the dog doing obedience without one (1) of those ‘BLUE PEOPLE’ making them sit / drop and stay.

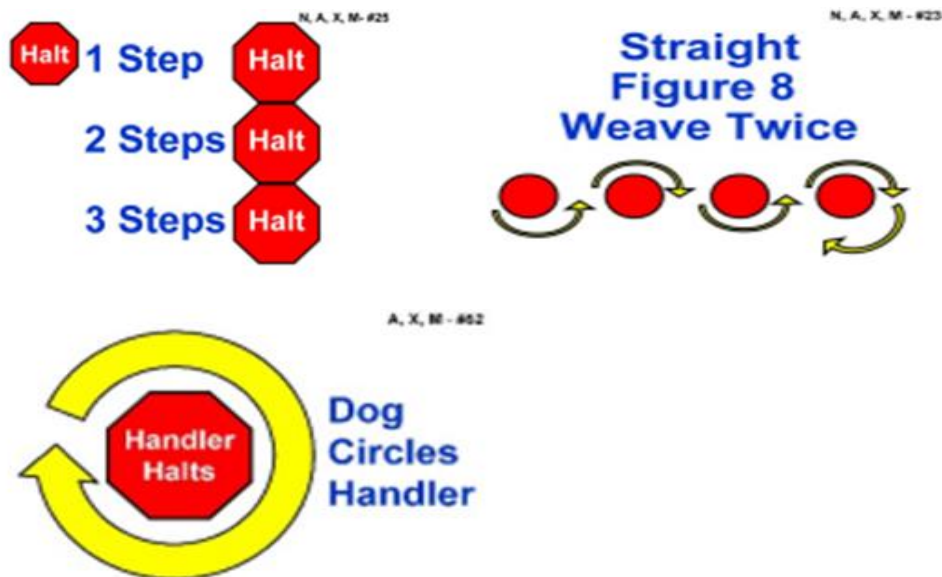

Rally a form of Obedience where the dog completes the designated course according to various signs and the owner is allowed to speak and praise the dog – **THE WHOLE WAY.** Even if the dog and occasionally the handler makes a mistake – they can retry the exercise and lose only a few points. Each team is timed whilst doing the course and at the conclusion - the judge will hand them a sheet indicating any faults and their final pass / fail score.

The official definition of **Rally** is: - The objective of Rally is to provide a fast-moving and motivational sport for both Handler and dog that demonstrates competency in basic Obedience exercises without the precision of the formal Obedience Classes. Dogs in Rally events should demonstrate willingness and enjoyment. To that end, Handlers may use verbal praise and encouragement of the dog on the Rally course.

There are four (4) sections within Rally being Novice (Beginners) / Advanced / Excellent and Masters. The signs above are called **STATIONS** and each section must have a minimum and maximum amount – Novice must have ten (10) to fifteen (15) all the way to Masters which must have eighteen (18) to twenty-four (24).

As with current Obedience levels, Novice allows the dog to participate with the lead attached however as you progress to the Advanced and higher levels – the lead is removed at the start. No food is allowed in the ring or within five (5) meters of the starting area.

**One (1) great aspect of this sport is being judged as an individual team. If your dog is fearful of others dogs, being touched by humans, hates crowds or any other forms of anxiety –**

**THIS IS ANOTHER SPORT YOU CAN CONSIDER**

## **INSTRUCTORS**

Werrabee Obedience Dog Club would not function without the wonderful members that volunteer their time as an Instructor. We understand that members may have reservations about becoming a Trainee Instructor believing they do not have sufficient knowledge or they want to train their own dog(s).

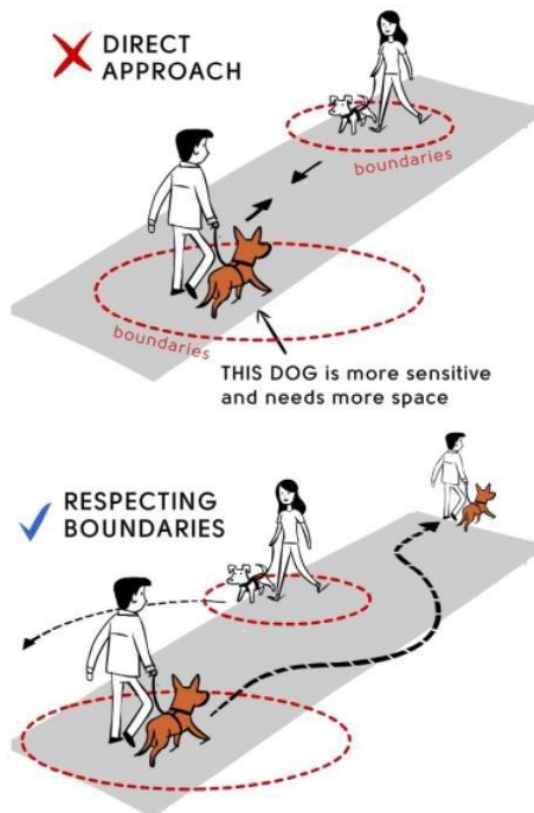

There are many owners at our Club that have a broad range of experience and we are looking for trainee Instructors to assist for just an hour or more on Saturdays.

We Instructor's agree it is a highly rewarding experience assisting all members / identifying issues and giving advice to rectify same.

Full training with an experienced Instructor is always available.

If you are interested to considering this role - please speak to our Chief Instructor Peter MILLER or any of the other Instructors.
